THE *Conference*

is an exciting opportunity to network and learn from your peers from the region and beyond. It is the perfect chance to discuss techniques and ideas. The vendor segment provides insight into various services, equipment, technologies, and partnerships. The event will include a tour of TTUHSC printing and mailing services along with workshops, speakers, and an opportunity to learn industry trends and innovations in an open forum. Whether you are from a large university, a school district, or another in-plant, **THIS CONFERENCE IS FOR YOU!**
